

**Features:**

- Both 24V and 220V DC output
- Fixed output for excitation
- Adjustable output for armature, speed control
- 4mm safety socket for motor connection

**Specifications:**

Excitation voltage	24V/2A, 220V/0.5A
Armature voltage	0~24V/6A, 0~220V/1.5A
Dimensions	170×135×70 mm
Weight	5kg
Power supply	220VAC/50Hz (or other voltage upon request)
